3. If within 72 hours, a Licensed Vet finds the puppy to be unhealthy or unfit for sale, the puppy may be returned for replacement with a puppy of equal value provided the puppy has not been injured or neglected. The veterinarian must provide a written statement deeming the puppy unfit for purchase.
4. This guarantee does not cover any health issues caused by neglect or injury from the buyer.
5. The breeder cannot assume responsibility for this puppy after 72 hours of the sale. It is the responsibility of the buyer to care for the puppy properly and keep it free from harm. Please remember that your puppy must be treated with great care and protected from danger.
6. The breeder gives a one year guarantee against any congenital defects of the puppy. If this should occur the breeder agrees to replace the puppy with one of the same breed (equal value). Correct testing needs to be done at the buyer's expense by a licensed vet or specialist to diagnose that puppy's condition is a genetic defect before the breeder will refund or replace the puppy.
7. The breeder assumes no responsibility for any medical expenses incurred after the sale.
